34. As regards the Dist. Board Amendments it will be seen that the amendment results in the Taluk Boards returning two members each to the Dist. Board & that only when the members so elected fall short of 2/3 rds of the total strength of the Bd that arrangements for election by recognised Associations etc will be necessary. (i.e. in the Shimoga & Kadur dists. In the Mysore Dist. the members returned by the Taluk Boards are exactly 2/3 rds of the total strength.

35. Subject to appeal or other orders

36. The only provision wh. may not appeal to the parties concerned is the grant of the right to vote to recognised Associations in cases only where the Taluk Bd elections do not come up to the required proportion. If possible it seems desirable that such bodies should have independent powers of returning their representatives.

2 The ex-officio members now on the Boards should continue . In order to give effect to the principles laid down in paragraph 16 of the Government order above quoted the strength of the Taluk Board may be increased to 20 and that of the District Board to 30. This will enable the Taluk Board to offer 10 seats for election and to reserve 5 for ex-officio members , leaving 5 seats to be filled by nomi-nation.

3 The District Board will similarly throw open 20 seats for election (5 being left to be elected by the Planting and other Associations) and 3 for nomination, the remaining 7 seats being filled up by ex-officio members as at present.

4 Copy of their resolution is herewith submitted.

5 I quite agree with the opinion of the District Board and recommend that Rules 6 and 7 may be modified as follows:-

Clause 6 of Rule 6:- Eight holders or proprietors of land (or persons otherwise qualified) in the Taluk to be elected by the other holders ,proprietors, etc in manner herein after set forth, or, in default of election, appointed

by Government on recommendation of the Deputy Commissioner.

Sir,

Adverting to your letter No: 46-53/L.S.G. 13-16-1 dated 24th January 1917, regarding the proposed amendment of Rules 6and 7 of the Rules under the Local Boards Regulation, I have the honor to state that, in my opinion,the rules may be amended as follows:-

2. Rule 6:- Every Taluk Board shall consist of 15 members made up as follows:-

EX-OFFICIO MEMBERS.

(i) The Assistant Commissioner in revenue Charge of the Taluk (or sub Taluk), or, if no such Officer has been placed in Revenue charge, the Amildar or other Officer, as may be deputed by Government in this behalf.

(ii) The Amildar of the Taluk.

(iii) The Medical Officer in charge of the Dispensary at the Taluk Head Quarters.

13)

(iv) The Senior Officer for the Taluk of the Public Works Department.

(v) The Sub Registrar.

NON-OFFICIAL MEMBERS.

4 Proprietors of land to be elected by the Land-holders in the Taluk.

1 Member to be elected by the Municipal body at the head-quarters of the Taluk Board.

1 Member to be elected by the merchant classes.

1 Member to be elected from the Jodidars in the Taluk.

1 Member to be elected by Lawyers and Graduates in the Taluk.

1 Member to be nominated by the Deputy Commissioner out of communities not already represented under the above clauses.

27

3. Rule 7:- The District Board shall consist of not less than 25 members, made up as follows:-

7 Ex-officio Members consisting of the Deputy Commissioner (President), the Assistant Commissioners in charge of Sub Divisions, the Treasury Assistant Commissioner, the Executive Engineer, the District Inspector of Education and the - District Medical and Sanitary Officer.

11 Non-official representatives to be elected by each Taluk Board.

2. To be elected by the Jodidars in the District.

2 To be elected by the members of the Legal profession and graduates.

2 To be elected by recognized Association of merchants or by the mercantile community.

1 To be nominated by the Deputy Commissioner out of the ~~Committees~~ not already represented under the above clauses.

4. In default of election by any of the bodies mentioned above, the vacancies may be filled up by the Government out of

of eligible candidates from the respective counties

where it is necessary to add to the number of official members selection may be made from among the other officers of the -- Taluk such as Medical officers in charge of Dispensaries not - at Taluk Head Quarters, Forest Range Officer, Excise Inspector etc.

In order to give not less than two-- thirds of the seats to elected members, it is necessary in --- this District (which will have 14 Taluk Boards) to have 42 -- members for the District Board. Of these 28 should be elected and 14 nominated. There should be two elected members from -- each Taluk, one of whom at least should be a non-official. The nominated members may consist of

The Deputy Commissioner

Four Assistant Commissioners

The Principal Medical Officer in the District.

The District Sanitary Officer

The Executive Engineer of the District (or the Principal Engineer officer of the District Board)

The District Inspector of Education. and one of the two District Forest Officers.

There will then be left four seats for nomination for the interests of communities not otherwise fully represented. Of the two members to be elected by each Taluk Board, I am of opinion that one may, but need not necessarily, be an official. This - will allow of the Amildars who will be Presidents of the Taluk- Boards being members of the District Board if they are elected by the Taluk Boards. At present the Amildars are not members of the District Board, but it has been found necessary to ask -- them to attend District Board meetings as they natuarally poss ess a more intimate knowledge of the Taluk than any non-official

Sir,

In reply to your letter No. 46-53/L.S.G. 13-16-1 dated 24th January 1917 calling for my opinion on the best mode of altering rules 6 and 7 of the Rules under the Local Board Regulation so as to give effect to the changes contemplated in para 16 (1) of the Government Order No. 3005-55/Rl. 132-16-1 dated 16th November 1916 in regard to the proportion of elected element in the personnel of the District and Taluk Boards, I have the honour to state as follows:-

The District Board now consists of 25 members, 7 of whom are ex-officio, 8 nominated and the remaining 10 are members elected by the several Taluk Boards - one member by each.

If out of the present strength of the Board, two-thirds should constitute the elected element, then there will be only 9 seats available for ex-officio and nominated members.

The ex-officio members now on the Board are:-

1. The Deputy Commissioner & President.
2. " Sub-Division Officers of Gubbi & Maddagiri.
1. " Treasury Assistant Commissioner.
1. " The Executive Engineer.
1. " District Medical and Sanitary Officer.
1. " District Inspector of Education.

If all the above Officers should continue to be on the Board,-in my opinion, none of them can be dispensed with--it will leave only two seats open to nomination--not a sufficient number to adjust communal and other representations on the -- Board. I would therefore propose that, excluding the Deputy
